A Persistent Advertiser

One of the most persistent advertisers in the history of success was Robinson Crusoe.

He believed in advertising—
He knew what he wanted—
a ship—
And he put up an ad for one.

He flung a shirt on a pole at the top of his island; that, in the language of the sea, was plain to every seafaring man.

The circulation was small and there was no other medium, but Crusoe kept it there despite the fact that he got no inquiries for a long time. He changed his copy—as one garment after another was flapped out—and in the end got what he wanted, was happy and his name and fame have come down through the ages.

The present day merchant is much better off than Crusoe.

HE HAS THE CITY DIRECTORY

through which he can reach all the people, some of whom want his goods. Your chances of success are thousands to his one, but your chances of failure are the same as his.

Suppose Robinson Cruso had taken down that signal after, say, a year, and declared "Advertising doesn't pay." Where would he and his story now be?

Put up your signal and keep it up. There will be a number of ships cruising around during the year, that will be glad to call and take you off the island of Dull Business.

Crusoe advertised under discouraging circumstances—
You have got a sure thing—**THE CITY DIRECTORY.**

We want a Big Ad from You this Year

Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or "fake" Directory.
